This statement is to advise that the above-mentioned product(s) from Isocom Components 2004 Ltd. have been evaluated against California Proposition 65 and declarations are available on request from maureen.smalls@isocom.co.uk.

Proposition 65 (Safe Drinking Water and Toxic Enforcement Act of 1986) is a Californian law that requires businesses to notify Californians about significant chemicals that cause cancer or birth defects or other reproductive harm. The law requires that no person doing business, knowingly and intentionally expose an individual to a chemical known to the state of California to cause cancer, birth defects, or reproductive toxicity without first giving a clear and reasonable warning.
