Directive 1907/2006/EC
REACH - Registration, Authorization and Restriction of
Chemicals

REACH STATEMENT

Isocom Components 2004 Ltd. is fully aware of the requirements given by REACH and identified its roles and obligations to the best of its knowledge.

- Isocom Components 2004 Ltd. is a 'downstream user' / producer of 'articles'.
- Isocom Components 2004 Ltd. does not intend to register any substances as we do not produce any 'articles' containing any substances that are intended to be released at any time therefore registration is not required.
- Isocom Components 2004 Ltd. is in contact with all our suppliers and collating information to ensure the availability of its product ('articles') in the future.
- Isocom Components 2004 Ltd. will monitor obligations in regards of Annex XVII and Annex XIV - SVHC Substances of Very High Concern 'Candidate List' (235 – 14th June 2023).
